*Projection*

Opening Reception: April 29<sup>th</sup>, 2010

Boxcar Gallery is excited to present *Projection*. The exhibition will feature the works of Boxcar member Joel Murray.

The opening reception will be held Thursday, April 29<sup>th</sup> from 6 to 9pm. First Friday is May 7<sup>th</sup>, from 6-10pm. *Projection* will run through May 22<sup>nd</sup>, 2010.

Joel Murray's newest series *Projection* is a colorful mixture of slightly abstracted portraits. Each piece incorporates gestural line work and a variety of organic and geometric shapes being projected above the skull of every figure.

These prismatic explosions act as a metaphor for the thoughts these specific individuals possess. The content spewing from these minds concretely establishes a thought process that is unseen in reality. These exciting mixed media images travel beyond traditional portraiture into a realm of chaotic beauty.

*Projection* is open Thursday April 29<sup>th</sup> form 6pm until 9pm and on First Friday May 7<sup>th</sup> from 6pm until 10pm, and run through May 22<sup>nd</sup>, 2010. Gallery hours are Friday & Saturday from 12 – 5 pm, or by appointment by calling 303.807.1379.
