Mixed media artist Sarah Quinlan's newest work *Wanderlust* is a visual documentary of female undergarments. In her work she uses a combination of found ephemeral materials, female outlines and watercolors to search for the "perfect support".

Artist Ira Fail's current work, *Birds of a Feather*, explores the relationship between the female portrait, birds, and the old cliché "birds of a feather, flock together". In the work he blends the two themes seamlessly to illustrate the common, delicate beauty of both subjects. His use of vibrant color varies the subject, and through his style allows us to enjoy the fantasy element of the work.

*Wanderlust* opens Thursday, June 24<sup>th</sup>, 2010 from 6-9 pm and First Friday July 24<sup>th</sup> from 6pm to 10pm. Third Friday July 16<sup>th</sup> from 12-8pm. Normal gallery hours are Friday & Saturday from 12-5 pm, or by appointment by calling 303.725.7047
